ABOUT ME

Passionate and detail-oriented web developer with a strong foundation in HTML, CSS, and JavaScript. I am eager to leverage my technical skills and creativity to build engaging and user-friendly websites. As a fresher, I am eager to gain real-world experience and make a meaningful contribution to your organization. I am confident in my abilities and motivated to take on new challenges. I am excited about the opportunity to work with a talented team of professionals and continue learning and growing as a web developer.
